

Throughout this term, 4 year olds in the community have been invited to join Waiouru Primary's Year 0-1 class for a morning of literacy based activities. Alongside their parents, children start the day jumping and jamming with the whole school.

At 9 a.m., they move off to Room 8 for rhymes, stories and book-based activities. Reading books and art activities go home with the 4 year olds each week.

4s on Friday @ Waiouru Primary

"Whether they are Room 8 students or the 4 year olds, they are all enthusiastic about the programme. Parents say their children look forward to coming", reports Mrs Corbett, Room 8's class teacher.
